Experience

LexisNexis / Senior UX/UI Designer

FEB 2025 – MAY 2025 | Contract | Remote

- Managed multiple high-priority design projects simultaneously while maintaining strict confidentiality across all initiatives.
- Collaborated cross-functionally with designers, developers, and product managers to deliver user-centered solutions aligned with business goals.
- Participated in design reviews and workshops to iterate on concepts, ensuring alignment with user needs and product strategy.
- Contributed to shared design systems and libraries to maintain consistency across teams and projects.

ReachLink / Lead UX/UI Designer

NOV 2024 – APRIL 2025 | Contract | Boca Raton, FL

- Collaborated directly with the CEO to design and refine ReachLink's mobile app, ensuring alignment with business goals and user needs.
- Developed and evolved the company's style guide and branding, enhancing visual consistency and strengthening brand identity across platforms.
- Created interactive prototypes and presented design concepts to stakeholders, incorporating feedback to drive strategic design decisions.
- Partnered with developers to ensure accurate implementation of designs, maintaining a seamless user experience from concept to launch.

StandUp Wireless / Lead UX/UI Designer/Developer

MAY 2024 – PRESENT | Contract | Remote

- Redesigned an existing sign-up flow to prioritize user enrollments and enhance ease of use, resulting in an increase in user completion rates.
- Maintained and utilized a comprehensive style guide to ensure design consistency and brand integrity across all user interfaces.
- Conducted user research and competitive analysis to inform design decisions, identifying key areas for improvement and opportunities to enhance the user experience.

Education

BrainStation / User Experience Design

A 400 hour, 12-week intensive diploma program for UX design focused on research and strategy, prototyping and usability testing, user interface design, and responsive design.

Miami Dade College / IT Systems

Awarded the American Dreams Scholarship, a full ride scholarship to complete an A.S in Information Technology Systems.

Experience (Page 2)

Breezeline / Lead UX/UI Designer

DEC 2023 – MAR 2024 | Contract | Remote

- Crafted intuitive UX structures and flows via wireframing and mockups, prioritizing optimal user experiences.
- Conducted continual user research aligned with the website roadmap, offering proactive recommendations for in-flight projects.
- Initiated and steered customer discovery sessions, design thinking discussions, and journey mapping workshops.
- Led the creation of architecture-focused deliverables, ensuring alignment with project goals and maintaining quality standards.
- Owned and refined UX processes, cultivating collaboration for measurable and scalable design experiments and feature launches.

Q Link Wireless / Lead UX/UI Designer

NOV 2022 – OCT 2023 | Full time | Miami, FL

- Developed a "Make an Appointment" web feature, increasing activation rates by 15% and elevating customer satisfaction by 10%.
- Enhanced the online store, making browsing and checkout smoother, resulting in a 27% sales increase and 10% fewer abandoned carts.
- Streamlined eSIM activations in the iOS app, driving a 15% increase in just one month.
- Developed effective desktop landing pages that boosted conversions by an impressive 17%.
- Engaged users through surveys and other methods to understand their needs, ensuring a continuously improved overall experience.

Women's Foundation of Florida / UX/UI Designer

JULY 2022 – AUGUST 2022 | Contract | Miami, FL

- Collaborated within a UX design team to overhaul the donation flow on a non-profit's website, resulting in a 35% increase in donation conversions and a strengthened user experience, thereby contributing significantly to the organization's funding initiatives.
- Contributed the effort to revamp the non-profit's home and about pages, strategically implementing changes that increased user trust and credibility, resulting in a 20% improvement in user engagement.
